Commissioners' Report.

To the Citizens of Grafton County :

Again we present to the taxpayers of the county, our annual report in accordance with the New Hampshire statutes, also the reports of the Superintendent of the county farm, Physician, Chaplain, Treasurer, Solicitor, Sheriff, Jailor, Clerk of the Supreme Court and Auditors.

Permanent improvements the past year include the finishing two store rooms and rooms in attic of insane house, and concreting.

We have one hundred and twenty-three head of cows and young cattle. Owing to the low price of hay it was thought best to feed a large share of it another year. Our opinion is that the farm is under a high state of cultivation and hereafter the hay can be sold, and not keep as much stock, and still keep the farm up to the present state of cultivation.

The cost of supporting paupers off the farm is less than last year, while the cost at the farm shows an increase. Taken together the expense is less than last year.

In our report last year we predicted that the jail could be completed, furnished and paid for without issuing any bonds, as we were authorized to do by the county convention. The jail has been completed and paid for at a cost of less than ten thousand dollars. The county still hold their interest in the old jail. We feel that it has been for the best interest of the county and the inmates that we

have been able to retain the services of Mr. and Mrs. H. C. Phillips, as Superintendent and Matron, and their able assistants, who have done all they consistently could to make the inmates' lot as comfortable and happy as possible.

We would at this time acknowledge our obligations to the citizens of the county for their cordial support in the improvements that have been made at the county farm for the comfort and convenience of the inmates.

Total net cost of supporting paupers at farm for	
year ending Dec. 31, 1898,	\$8,548 10

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of the County Farm shall make up his report to January 1st, annually, and also Section 2 of said chapter requires that the superintendent's report shall contain, in addition, a list of the paupers actually supported at the Farm, and the number of weeks each was so supported, also a statement of the average cost per week for each pauper, with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending Dec. 31, 1898, was (153) one hundred and fifty-three.

The number of weeks' board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual, and dividing that number by seven, it gives the number of weeks each individual has been so supported.

The whole cost of supporting paupers at the farm for the year ending December 31, 1898, is \$8,548.10, and this sum divided by the whole number of weeks board furnished, viz: 5,918 gives \$1.44 as the price per week.

Respectfully submitted,

HENRY C. PHILLIPS, Superintendent.

We, the undersigned, hereby certify that we have examined the foregoing account of the Superintendent of the County Farm for the County of Grafton, for the year ending December 31, 1898, and find the same to be properly vouched and correctly cast.

Physician's Report.

To the Honorable Board of Grafton County Commissioners:

I hereby submit my report of the medical department of the Grafton County Almshouse.

The general health of the inmates has been, for the most part, excellent during the past year. There has been no epidemic and most of the sickness which I have been called upon to treat has been only that incident to the aged and those already broken in health by previous excess or deprivation. The very few deaths during the year, the smallest in history of institution, is, I believe, due, in a great measure, to the kindness and watchfulness of the superintendent and matron and their efficient corps of assistants who always have the best interest of those committed to their charge uppermost in mind.

There have been two births during the year.

Appended is a list of the deaths:

Name	Age	Disease	Date of Death
S. N. Page,	59	Apoplexy	Jan. 14
Curtis Squires,	66	Marasmus	Apr. 18
J. C. Garland,	57	Heart Disease	June 12
Thomas Pingree,	65	Pneumonia	June 29
Miah Columbia,	84	Old Age	Sept. 17
Dennison Sargent,	78	Old Age	Oct. 30
Frank Merrill,	30	Meningitis	Oct. 30
Phebe Simonds,	83	Old Age	Dec. 19

Chaplain's Report

To the Honorable Commissioners and to the Citizens of Grafton County.

One of the radical changes that has taken place since our Lord's coming into this world is, "to the poor the Gospel is preached."

There is but little for the Chaplain to report. Services have been held on alternate Sabbaths as has been customary.

Just how much the inmates may be benefitted by such services is hard to say. To a few they may be a source of pleasure and profit. Surely without moral and spiritual teaching, philanthropy would be soulless.

I desire to express my hearty appreciation of the efforts of the Commissioners, and especially the Superintendent, his wife and helpers, to promote the comfort and even enjoyment of all under their care.

It gives me pleasure to ask for them the hearty support of the citizens of the County in every measure that shall be for the improvement and comfort of those dependent upon the County for support.

Respectfully submitted,

J. ROY DINSMORE.
